

CHIRO ALIGN COLLECTION

EXCLUSIVE TO

Sleepy's
The Mattress Experts

The amazing support technology in this collection is an Australian made 5 zoned pocket spring. The springs are not only made in Australia they are also made using Australian wire manufactured at OneSteel in Newcastle. Locally designed, Australian made and tested by our peak chiropractic body.

The spine relationship

"There is a real relationship between your spine and your health", says Dr Joe Ierano, Chairman of the Chiropractors' Association of Australia (CAA) Product Evaluation Committee. "That's why it is important to sleep on a range of bedding designed for postural alignment and relaxation of the spinal muscles". You can sleep assured as all the beds within our CAA range are tested by Dr Joe Ierano and the CAA before being released exclusively through Sleepy's.

Support technology

The zoned Australian made pocket spring system in the *Chiro Align* helps maintain spinal alignment and provide the ultimate support for your body, while also minimising partner disturbance.

onesteel

You can be confident that an Australian-made bed, using Australian wire from OneSteel, has the quality pedigree to provide the comfort & support you expect for many years to come.

Comfort system

The quilt layer in this collection is a technology developed by Sleepmaker called Climatex quilt. It is a quilted sleep surface which uses two or more layers of dreamfoam with high loft fibre sandwiched in between. The *Chiro Align* comfort system also includes temperature regulating gel visco for additional comfort and a foam box edge for edge-to-edge support.
